Nor does this review waive or negate any rights of the Lessee for breach of contract and/or default based upon design error and/or omissions.

g) All work required under paragraph 3.6 shall meet the latest local and state building codes, fire codes, and barrier free regulations. The Lessor shall be responsible for acquisition of and payment for all necessary permits.

b) Time extension requests must be submitted in writing to Lessee each month in which the Lessor believes he/she is entitled to more time. Such requests shall detail the length of time extension requested and indicate why the Lessor believes more time is warranted. Lessee will

respond to such requests and may extend the timeframe allowed for Substantial Completion. If no time extension is requested in writing, it will be assumed that no additional time is needed and no timeframe extension will be allowed for that month.

c) The work to be performed under Article III of this Lease shall be commenced as provided in paragraph 3.5 and shall be Substantially Completed within the timeframe required in paragraph 3.6(a). Lessor and Lessee agree that Substantial Completion by the time specified is of the essence to this Lease and that the Lessee will suffer injuries and damages if the work is not timely completed. Should the Lessor fail to Substantially Complete the work within the above-referenced timeframe, the sum of **\$500.00** per day shall be deducted from the Lease rent payment(s) for each and every calendar day of delay. It is understood and agreed that this deduction from Lease rent payment(s) is not a penalty, but represents liquidated damages suffered by the Lessee, and is so fixed on a per diem basis because of the extreme difficulty of ascertaining the full amount of damages the Lessee will sustain if the work is not timely completed. Liquidated damages are not intended to compensate the Lessee for any other breach of this Lease.

d) See attached Enclosure "C", for construction standards and specifications. Enclosure "C-1" (final detailed construction plans and specifications) shall be incorporated and attached to this Lease upon receipt by the Office of Design and Construction pursuant to paragraph 3.5.

f) The Lessor expressly warrants and guarantees to the Lessee that all construction work will conform to the Lease, Enclosures "C" and "C-1" and will not be defective. Reasonably prompt notice of defective work of which the Lessee has actual knowledge shall be given to the Lessor, but failure to do so will not void the Lessor's warranty and guarantee obligations unless actual prejudice results from such untimely notice.

The Lessor's obligations for correction of construction work specified herein are in addition to, and not in limitation of, any warranties or guarantees required elsewhere in this Lease, Enclosure "C" and "C-1", or by law. Nothing contained in this paragraph shall be construed as establishing a period of limitations for, or limiting the obligations of, the Lessor to warrant and guarantee that the construction work will not be defective.

3.7 - Lessor agrees that the Lessee or its authorized representative(s) shall, at all times, have access to the Leased premises construction site to determine that the Leased premises are being constructed in accordance with reasonable construction standards and the requirements of Enclosure "C" and "C-1". Lessor agrees that:

a) The Lessee's representative shall receive copies of Lessor's required construction submittals as outlined in Enclosure "C-1", such as shop drawings, product data and samples, to confirm conformance with the design concept of the work and with the information provided in enclosure "C-1" and industry performance standards.

b) The Lessee's representative shall have authority to observe the construction and where non-conformance with Enclosure "C" and/or "C-1" is discovered communicate to the

Lessor such non-conformance. The Lessor agrees to take appropriate corrective action to conform the construction work to the requirements of Enclosure "C" and "C-1".

c) The Lessee's right to make observations or otherwise act as set forth in paragraph 3.7(a) and 3.7(b) shall not:

1) give rise to or impose any duty or responsibility on Lessee to make those observations or perform those services for the benefit of the Lessor or any of its contractors, subcontractors, agents, or employees;

2) relieve the Lessor from its obligations to perform the construction work in accordance with Enclosure "C" and "C-1"; or

3) represent acceptance of defective construction work.

3.8 - Lessor agrees that the Lessee shall retain an Architect/Engineer at Lessee's expense, who will provide construction inspection services and will periodically visit the site to determine that the Leased premises are being constructed in accordance with reasonable construction standards and relevant specifications and drawings, Lessor agrees that:

b) The Lessee's Architect/Engineer who is responsible for the preparation of the construction documents will be the final interpreter of the specifications, drawings and standards, and the judge of performance thereunder by the Lessor.

c) The Lessee's Architect/Engineer shall receive copies of Lessor's required construction submittals, such as shop drawings, product data and samples, to confirm conformance with the design concept of the work and with the information provided in the specifications, drawings, and industry performance standards.

d) The Lessee's Architect/Engineer shall have authority to inspect and, where required because of a non-conformance with the relevant contract documents, reject any construction work, or take other appropriate action including recommending action necessary to correct any rejected work. The Lessor shall promptly correct the rejected work according to the Lessee's Architect/Engineer's recommendations.

e) The Lessee's Architect/Engineer's authority to make the required observations or otherwise act as set forth in Section 3.8 (a) - (d), shall not a) give rise to or impose any duty or responsibility on it to make those observations or perform those services for the benefit of the Lessor or any of its contractors, subcontractors, agents or employees, b) relieve the Lessor from its obligations to perform the construction work in accordance with the drawings, specifications and standards, or c) represent acceptance of defective construction work.

The Lessor shall submit a complete description and cost estimate for prior written approval to the Real Estate Division of the Department of Technology, Management & Budget, prior to the requested change. If the changes, and any resulting cost differences, are mutually agreed upon in writing by the Lessor, Lessee, and Real Estate Division, the Lessee

shall make a lump-sum payment with, or lump-sum deduction from, the first month's rental consideration due the Lessor. Failure to include in the complete itemized cost estimate any cost directly or indirectly incurred as a result of the change constitutes Lessor's waiver of entitlement to such costs, except in the event that the Lessor or Lessor's contractor provides a detailed reservation of its right to additional costs which cannot be reasonably calculated as of the date the cost estimate is submitted.

3.9 - Remodeling of the Leased premises required by any existing or future laws, ordinances, or regulations of the city, village, township, county, state, or federal government, or other public building authority, shall be made by the Lessor, at no expense to the Lessee.

In the event that more than fifty percent (50%) of the replacement value of the Leased premises are damaged or destroyed by any casualty insured under the Lessor's insurance policy, the Lessor shall have the option of repairing or reconstructing, or canceling this Lease, which option shall be exercised within ninety (90) days after the damage or destruction. This covenant is cross referenced in Articles IV, V and XI.

The Lessor agrees to include in every subcontract entered into for the performance of this real estate contract this covenant not to discriminate in employment. A breach of this covenant is a material breach of this real estate contract. This covenant is cross referenced in Article XI.

Lessee will respond to such requests and may extend the timeframe allowed for substantial completion. If no time extension is requested in writing, it will be assumed that no additional time is needed and no timeframe extension will be allowed for that month.

3.17 - The Lessor shall permit the Lessee to display public notifications of applicable public meetings as required by 1976 PA 267, as amended, MCL 15.261 et seq., in public lobby areas of the building wherein the Leased premises are located, in a manner consistent with the decor of the public lobby areas. ARTICLE VI - LESSEE OPTION TO PURCHASE

6.1 - For purposes of this Article VI only, the Lessor shall be defined as the "Seller" and the Lessee shall be defined as the "State".

6.2 - The Seller hereby grants to the State the exclusive right and option to purchase the Leased premises described in paragraphs 2.1 and 2.2 (for purposes of Article VI, referred to as the "Premises"), and all rights, title, and interest presently held and subsequently acquired therein.

(Legal Description)

6.3 - This option to purchase may be exercised by the State any time after the first full year of possession.

6.4 - Written notice of the exercise of this option to purchase shall be made by the State, as found in paragraph 12.1.

6.5 - The total purchase price shall be the fair market value of the land, structures and improvements thereto, as described in paragraphs 2.1 and 2.2.

6.6 - Fair market value shall be determined by an independent fee appraiser who is licensed by the State of Michigan as a State Certified Real Estate Appraiser, under the authority of 1980 PA 299, as amended, MCL 339.101 et seq. (Occupational Code).

6.7 - The State shall contract and pay for an independent fee appraisal to determine fair market value. The State and the Seller shall promptly notify each other of the estimated time to obtain an appraisal. The State and the Seller shall promptly submit their respective appraisals to each other, but in no event later than thirty (30) days after receipt of the appraisal. If there is a difference between the first and second appraisal of ten percent (10%) or less, the State and the Seller shall split the difference in value. If there is a difference between the first and second appraisals of more than ten percent (10%), the State shall contract

for a review appraisal, of the first and second appraisals. The review appraisal determination shall be binding upon the State and the Seller. The cost of the review appraisal shall be split equally by the State and the Seller.

6.8 – Deleted

6.9 - If the State exercises its option to purchase the Premises, the Seller shall, within ten (10) days thereafter, furnish and deliver to the State's attorney a commitment for title insurance with coverage in an amount at least equal to the amount of the taxable value. The commitment for title insurance shall evidence good and marketable title in fee simple absolute to the Premises to be vested in the State and shall be conditioned only upon delivery of a sufficient warranty deed from the Seller to the State. The Seller shall take all actions required by such commitment for title insurance to remove exceptions to coverage for liens, mortgages, and all other similar encumbrances prior to closing. The Seller shall update the amount of coverage to the fair market value as determined in paragraph 6.7 prior to closing.

6.10 - If objection to the title is made, based upon a written opinion of the State's attorney that the title is not in the condition as required for performance hereunder, the Seller shall have thirty (30) days from the date they are notified in writing of the particular defects claimed to remedy the title to the satisfaction of the State's attorney. If the Seller fails to remedy the defect within said thirty (30) days, this option, in the discretion of the State, may be considered null and void and the parties relieved from any and all liability thereunder or the State may proceed to have such defect remedied or removed. The Seller shall use its best efforts and shall cooperate with the State to remove any and all title defects so identified.

6.11 - In the event that examination of the title by the State's attorney discloses any easements or restrictions on use of the Premises which would prevent the State from using the Premises for the purposes for which they were to be acquired, the State may at its sole discretion terminate this option and the parties will be thereupon relieved from any and all liability hereunder or the State may proceed to have any easements or restrictions on the use of the Premises removed. If the State is unsuccessful in removing such easements or restrictions, the State may, at its option, terminate this option and the parties will be thereupon relieved from any and all liability hereunder. The Seller shall use its best efforts and shall cooperate with the State to remove any and all restrictions on the use of the Premises.

The Seller shall also furnish to the State's attorney, if the Premises are being sold on a land contract, a copy of the land contract, or assignment of land contract, with payment record showing all interest and principal paid to date with a clearly stated outstanding principal balance thereon.

6.13 - Transfer of title to the Premises described in paragraphs 2.1 and 2.2 shall be effected by warranty deed conveying a good and marketable title in fee simple absolute to the Premises, including title to all fluid, mineral and gas rights, buildings, structures, trees and other improvements thereon. The title is to be free and clear from all liens and encumbrances. The warranty deed shall be delivered to the State upon payment of the full purchase price.

6.14 - Unless instructed to do otherwise by the Seller, the State shall deliver to the Seller, at the time set for delivery of the warranty deed, a State warrant payable to the Seller.

6.15 - If this option is exercised, the Seller shall deliver possession of the Premises in vacant condition and free of all possessory interests (except this Lease), including tenancies, licenses, and others lawfully or unlawfully upon the Premises, in as good condition as it now is, reasonable wear and tear excepted, upon execution and delivery of the warranty deed. Warranties for structural systems, materials, and equipment received by the Seller, whether expressed or implied, including but not limited to warranties of merchantability and fitness for a particular purpose, shall be assigned to the State by the Seller upon delivery of possession to the State.

6.16 -The Seller acknowledges responsibility for payment of any state or local real estate transfer taxes. Such obligation shall be discharged no later than the time of delivery of the warranty deed to the State. The warranty deed shall be delivered to the State of Michigan either with stamps affixed or accompanied by a check(s) payable to the County Register of Deeds in the amount of such taxes.

6.17 - The Seller shall be responsible for paying the cost of recording discharges of mortgages, documents terminating liens, quit-claim deeds, or other documents required by law or requested by the State's attorney to clear defects in the title. The State shall be responsible for paying the cost of recording the warranty deed delivered by the Seller.

6.18 - Real property taxes shall be pro-rated as provided in 1893 PA 206, as amended, MCL 211.2 et seq. (General Property Tax Act). The Seller shall further be responsible for any other real property taxes, which become a lien upon the property in any year prior to the calendar year in which title passes to the State. Should any special assessments be made against the property, the Seller shall be responsible for the payment of all assessments or installments of assessments which become due before the day title passes to the State.

6.19 - The Seller agrees not to do, or suffer others to do, any act by which the value or title to the Premises may be diminished or encumbered. The Seller further covenants and binds itself, its successors, and assigns to carry out the terms of this option.

6.20 - Reserved

6.21 - If this option is exercised, the State may, at its sole discretion, require the Seller to undertake an environmental assessment of the Leased premises, satisfactory to and for the benefit of the State, that is adequate to establish the liability exemption and defenses available in Sections 20126 (1)(c) and 20126 (3)(h) of the Natural Resources and Environmental Protection Act (NREPA), MCL 324.20126(1)(c) and 324.20126(3)(h) and Section 107(b)(3) of the Comprehensive Environmental Response Compensation Liability Act, 42 USC 9607(b)(3), that the Leased premises, and the property on which the Leased premises is located, do not contain a concentration of any hazardous substance above applicable criteria. The environmental assessment shall be in addition to the environmental assessment referenced in paragraph 3.3(a) of this Lease. If, based upon the environmental assessment undertaken as a part of this option, a release or threat of a release is discovered, the State may, at its sole discretion, terminate this option and be relieved of any liability under Article VI. Nothing in this paragraph shall relieve the Lessor/Seller of its obligations under paragraph 3.3 of this Lease.

ARTICLE VII - EMINENT DOMAIN/CONDEMNATION

7.1 - The Lessor shall notify the Lessee within ten (10) days of the commencement of eminent domain/condemnation proceedings against the Leased premises described in

paragraphs 2.1 and 2.2 by a public agency authorized by law to condemn property. The Lessor shall timely notify the Lessee of the Lessor's intent to contest eminent domain/condemnation proceedings. The Lessor shall notify the Lessee within ten (10) days of acquisition by eminent domain/condemnation of the Leased premises described in paragraphs 2.1 and 2.2 by a public agency.

7.2 - If a total taking of the Leased premises by any public authority under the power of eminent domain/condemnation occurs, then the term of this Lease shall cease as of the day of possession and the rent shall be paid up to that day with a proportionate refund by the Lessor of such rent as may have been paid in advance for a period subsequent to the date of the taking. This covenant is cross referenced in Article XI.

7.3 - If a partial taking of the Leased premises by any public authority under eminent domain/condemnation occurs, the Lessee shall have the right either to terminate this Lease and declare same null and void, or, subject to the Lessor's right of termination as set forth below, to continue in possession of the remainder of the Leased premises, and shall notify the Lessor in writing within ten (10) days after such taking of the Lessee's intention. In the event the Lessee elects to remain in possession, all of the terms herein provided shall continue in effect, except that the fixed annual rental shall be reduced in proportion to the amount of the Leased premises taken and the Lessor shall, at its own cost and expense, make all the necessary repairs or alterations to the building, as originally installed by the Lessor, so as to constitute the remaining Leased premises a complete architectural unit.

7.4 - If more than fifty (50%) percent of the Leased premises are taken under the power of eminent domain/condemnation, the Lessor may, by written notice to the Lessee delivered on or before the date of surrendering possession to the public authority, terminate this Lease.

7.5 - All damages awarded for either a total or partial taking under the power of eminent domain/condemnation, of the Leased premises, including fee title, described in paragraphs 2.1 and 2.2 shall belong to and be the property of the Lessor, except damages awarded as compensation for diminution in value to the leasehold interest which shall belong to and be the property of the Lessee. The Lessee shall be entitled to all damages and costs flowing from its loss of the leasehold interest including, but not limited to, loss of the value of the remaining terms of the Lease, the economic value of the Lease, depreciation and cost of removal of the Lessee's supplies and fixtures, and relocation cost.

ARTICLE VIII - ESTOPPEL

8.1 - The Lessee shall, within fourteen (14) days of receipt of a request by the Lessor, pursuant to paragraph 12.1, certify, to the extent the Lessee believes the information to be true and deliver to the Lessor an executed estoppel certificate (Enclosure "D"). The Lessee's failure to deliver such statement shall be conclusive upon the Lessee that:

- a) This Lease is in full force and effect without modification except as may be represented by the Lessor,
- b) There are no uncured defaults in the Lessor's performance,
- c) Not more than one (1) month's rent has been paid in advance.

ARTICLE X - LESSOR'S MORTGAGEE

10.1 - For purposes of this Article, the term "Lessor's mortgagee" means any party of record holding a mortgage or deed of trust on the Leased premises described in paragraphs 2.1 and 2.2, or any part thereof. The Lessor shall give the Lessee written notice that such party holds such lien or deed of trust, and written evidence of the date the mortgage or deed of trust was executed, together with notice of the address of Lessor's mortgagee. A lien held by a Lessor's mortgagee on the Leased premises, or any portion thereof, is herein referred to as a "Lessor's mortgage".

10.2 - Pursuant to paragraph 10.1, the Lessor has disclosed all mortgages or deeds of trust affecting the Leased premises set forth in paragraphs 2.1 and 2.2 which exist as of the execution date of this Lease. If a mortgage or deed of trust exists or existed, as of the execution date of the original Lease, the Lessor shall cause each mortgagee to execute in favor of the Lessee the Nondisturbance Agreement, attached as Enclosure "E", whereby said mortgagee agrees that it will not disturb the Lessee's tenancy in the event of foreclosure or other succession to the interest of the Lessor. Enclosure "E" shall be executed before this Lease becomes effective. Any mortgage is to be subordinate to this Lease, and any future amendment thereto unless specifically provided otherwise in writing.

10.3 - If the Leased premises are at any time during the term of this Lease subject to a Lessor's mortgage, then, whenever the Lessee gives notice to the Lessor alleging default by the Lessor in performance of any covenant or obligation under this Lease, the Lessee shall simultaneously give a copy of such notice to the Lessor's mortgagee (at the address of the Lessor's mortgagee provided pursuant to paragraph 10.1). Lessor's mortgagee shall have the right (but not the obligation) to cure or remedy Lessor's default during the same time period that is permitted to the Lessor hereunder for the remedying or curing of such default. Lessee will accept such curative or remedial action taken by a Lessor's mortgagee with the same effect as if such action had been taken by the Lessor. Any claims for damages by the Lessee shall not be waived by the Lessor's mortgagee's corrective or remedial action.

10.4 - In the event that the Lessor's mortgagee of record (or any other party) shall acquire title to the Leased premises or shall succeed to the Lessor's interest in this Lease, whether through foreclosure of the Lessor's mortgage, conveyance in lieu of foreclosure, or otherwise (collectively, a "foreclosure"), the Lessor's mortgagee (or other such party) shall thereupon, and without the necessity of attornment or other act or agreement, be substituted as the Lessee's landlord under this Lease, and shall be subject to the obligations thereof. The rights acquired by the Lessor's mortgagee are subordinate to this Lease and all of the Lessee's rights under the Lease continue undisturbed.

ARTICLE XI - CANCELLATION

11.1 - Beginning **October 1, 2016** and until **September 30, 2026**, this Lease may be cancelled by the Lessee if the Lessor is notified in writing at least thirty (30) days prior to the effective date of cancellation and any one of the following occur:
